## Academy Notes

### PRE-MEMORIAL

Pre-Memorial day exercises are to be given by Barton academy and school in Alumni hall, Friday, May 27th, at 2:00 o'clock. A cordial invitation is extended to the public to attend these exercises.

### SMALL GIRLS GOOD SPELLERS

Oral and written contests were given to all children of grades five, six, seven and eight of Barton Graded school, to determine the representative for the Orleans County Spelling match. Winifred Webster and Marion Tower of grade five, proved to be the victorious ones.

On Saturday, May 21st, they represented the village in the county contest held at Newport. Miss Winifred succeeded in spelling 68 words correctly, not missing any word of the required state list for grades five, six, seven and eight. On the word "phosphorus" of an auxiliary list, Winifred went down, leaving however, only three of the thirty nine contestants standing while Miss Marion spelled 64 words without mistake, and left but five contestants to spell.

In view of the fact that there were only three fifth graders eligible to take part in the county contest, and with the majority of opponents from grades seven and eight, great credit is due the two little girls for the way in which they represented their school. Barton has a right to feel great pride in their representatives.

### BASEBALL

The B. A. baseball team continued its winning streak by defeating Orleans High, 7 to 6 in an exciting game, May 18. Barton scored two runs in the first on hits by Hanson and Carter and two more in the second the same way. Orleans scored two in the second on hits by Twombly and Wedge and in the third on hits by Dudley, Bullard and Hardy. Barton scored two in the fifth on hits by Valley, Cornish and Lewis. The score stood six to three in favor of Barton until Cornish' last bat when by two errors and a timely hit by Hardy the score was evened up. Then Carter quickly picked a two-sacker to right-center and "Razor" Smith brought him home with a line drive over second. Carter pitched a strong game, during the closing innings he allowed but two hits after the fourth. Gallup was touched up more frequently than B. A. ever has hit him before. Dudley and Hardy hit best for Orleans. Carter was the heavy stick for B. A., with Smith and Lewis coming thru with timely swats.

On Saturday, May 21, B. A. defeated Craftsbury academy, 27 to 17, in a game played in a world exhibition. Big league teams would not like the C. A. diamond. Mudgett started to pitch but was wild and ineffective and was relieved by Hanson who pitched the first game of his career and kept the scoring low until the ninth when C. A. scored seven runs on errors and hits. He has all the earmarks of a coming schoolboy twirler. Lawrence and Clifford hit well for C. A., while everybody on the B. A. team fattened their batting averages due more to the bad grounds than to superior hitting.

## FARM BUREAU ON NEW BASIS

New Membership Fee of \$10 Adopted and Campaign Comes in August

A special meeting of the Orleans County Farm Bureau was held at the Opera house, Orleans, Saturday, at which several important steps were taken.

The first speaker of the afternoon was C. J. Cooper, of the Illinois Farm Bureau, who is now directing membership campaigns in Vermont and New Hampshire. Mr. Cooper first told of the reasons why so many counties were finding it necessary to raise their Farm Bureau dues and thus enable to better carry on the work in their local organizations, and also be a member of and help finance the State and National Farm Bureau organizations, which are doing so much to solve the numerous problems facing the farmers today. That the tariff problems are serious is shown by the large amount of foreign products which are being imported and driving the price of our own products below the costs of production. More than 2000 tons of New Zealand butter have been sold to the United States. Denmark, Argentina, Holland and Canada are all shipping millions of pounds monthly. Condensed milk and cheese are coming in daily. Recently in one week in New York alone there came 90,000 cases of frozen whole eggs, 10,100 cases of frozen whites, 13,142 cases frozen yokes to say nothing of shipments to Boston and other ports. Thousands of tons of coconut oil are coming into this country weekly and taking the place of cream and condensed milk, also going into the make up of butter substitutes and is used to replace milk and other dairy products. Coconut oil and Danish butter are already being used right here in our own state of Vermont, where our dairies furnish 90 per cent of our income.

E. B. Cornwall, president of the Vermont State Farm Bureau federation, emphasized still further the importance of farmers becoming better organized and backing up their organization in a business-like manner. He also told of the method of conducting the membership campaign and the success they had met with in other counties.

Thomas Bradley, director of Vermont Extension Service, spoke of the progress of the work in this and other counties and emphasized the necessity of placing the work on a sound business basis.

MEMBERSHIP CAMPAIGN IN AUGUST

At the close of the meeting a unanimous vote was taken to increase the Farm Bureau dues to \$10 a year which includes the whole family, giving them the benefit of all branches of Extension work and insures membership in the state and national Farm Bureau Federation, as well as the county organization.

The campaign for Orleans county will start July 25th, and extend into August. C. J. Cooper will have charge of the campaign and will be assisted by several trained solicitors all of whom are dirt farmers, who have entered the work to do all in their power to protect their own business and that of neighbor farmers. Every farmer in the county will be seen and asked to join the organization and help unite the farmers of this county into one solid organization whose main purpose is to put farming on a par with other business and to make it possible for farmers to secure for themselves a just return for their honest labor.

Most agreeably surprised at their new home on Tuesday evening, by a visit from the bank forces, who came to see the new building and to make the evening most enjoyable which they did most acceptably.

Referring to the Barton academy-Lyndonville game, played in Lyndonville, the Journal of that place said: "Comstock played about the best of the Barton aggregation. Smith showed up well for the visitors at the first sack."

Sixty Red Cross scrap books made by Junior Red Cross members of the 1st, 2nd, 3rd, 4th, 5th and 6th grades at Barton Graded school have recently been sent to the Massachusetts School for Crippled Children in Canton, Mass. This work has been done under direction of Mrs. Bernard J. Lee.

Mrs. D. Zabasky of Glover St., met with what might have been a serious accident Sunday night, when alighting from the night air-line. She fell between the platform and the tracks and remained there until the entire train had gone past her. She was unconscious when rescued by some person witnessing the accident. She still remains very ill at her home.

Harry W. Patterson, formerly assistant engineer of the New York State Department of Highways, has resigned his position to go into the contracting business and has been awarded a contract for building five miles of road in Alleghany County, the contract price being \$148,000.

Mr. and Mrs. A. A. Larabee motored to Burlington to take their daughter, Mildred, and Miss Dorothy Emerson to Sub-Freshman Day at U. V. M. They were accompanied by Mrs. Geo. E. King and the party visited Mr. and Mrs. M. B. Byington at Charlotte, and made other calls. That they were overtaken by the storm and obliged to wait while trees were removed from their path, did not materially lessen their enjoyment of the trip.

CARD—We wish to extend our heart-felt thanks to all our neighbors, friends and Catholic Order of Foresters, who were so kind in rendering aid and comfort during the sickness and death of our beloved husband, father and brother, and for the beautiful flowers sent in love for the departed. May God's blessings rest upon everyone of you.

## Memorial Day Plans.

Union Memorial day services will be held in the Congregational church Sunday morning at 10:30 o'clock, Rev. J. J. Hutchinson preaching. All bodies desiring to go to this service are requested to meet at the G. A. R. hall at 10 o'clock promptly and accompany members of the G. A. R. to the church in a body.

On Monday all organizations are invited to meet at the schoolhouse at 1 o'clock promptly, to form in procession and proceed to the cemetery to decorate the graves of departed soldiers. The schools are especially urged to participate. N. E. Underwood will act as marshal of the day and organizations should report to him for assignment of positions in the parade. Upon returning from the cemetery the line will proceed to Seaver's hall where appropriate exercises will be held, with music by the band and an address by Rev. M. A. Turner.

All ex-service men of the World War are cordially invited to join the Civil War veterans and members of the American Legion, on Monday, May 30, in the parade. It will start from the schoolhouse at 1 o'clock.

There will be a drill at the G. A. R. hall, Thursday evening, at 7 o'clock, for Memorial day. We urge all sons and grandsons, whether members of the camp or not, to come to this drill. Also associate members of the G. A. R. It seems very fitting that we should give this day our loyal support and as the camp will be divided, part of them have to be in Glover at the same time. We earnestly hope all patriotic citizens will join us in our exercises.

Chas. K. Davenport,  
Com. Camp 84.

## Another Barton Boy Meets With Success

A. Slayton Lang, who has been in Rochester, N. Y., and Boston, Mass., for the past three years, where he has taken special courses in optometry, has successfully passed the Vermont State Board of Examiners, which body met in Montpelier, in April.

Mr. Lang has also held the position of first saxophone player in the Copely Square orchestra, for the past year and is a member of the Stereta Saxophone Sextette, organized for the purpose of making records. This sextette made up of members of the Symphony orchestra and other musical organizations.

Mr. Lang is expected home soon and it is hoped he will locate in Barton permanently.

## Methodist Church Notes

Rev. M. A. Turner, Pastor.

Union Pre-Memorial service in Congregational church at 10:30. Rev. J. J. Hutchinson will give the address.

Sunday school 11:45.

Epworth League 6 o'clock.

Union service in Methodist church 7 o'clock. Annual sermon to graduating class preached by Rev. M. A. Turner.

Prayer meeting on Thursday evening at 7:30.

Those who attended the Grown Folks' social given by the Epworth League last week spent a very enjoyable evening. The hats trimmed by the gentlemen were truly marvelous. The prize for the best trimmed hat was awarded to Martin Brunning, while the booby prize went to Rev. M. A. Turner. After the social hour refreshments of sandwiches, doughnuts and coffee were served.

## WILLOUGHBY

Dale Brooks of Newport visited at Mrs. F. Kimball's last week.

Bertha Waterman spent the week-end with friends in Lyndonville.

Jake Downing, who is very ill at his home here, remains about the same.

Mr. and Mrs. Clark of Beverly, Mass., are visiting at the home of Mrs. Elvira Brown.

Mr. and Mrs. George Duke and Howard Wetherbee of Lyndon, and Mrs. McGinnis of Lyndonville, were visitors at E. C. Brown's last Saturday.

## Endeavorers Elect Akin President

The annual Orleans County Christian Endeavor convention was held in the Congregational Church, North Troy, Saturday. There were more than 40 representatives of the local societies of the county present, ranging from Island Pond to Westfield.

The forenoon session was given over almost entirely to business. Donald Albee welcomed the convention to North Troy, a statement of the purpose of the meeting was made which was to reorganize the county, no meeting having been held since 1917, and a message from the state president was read and points discussed at length. Committees were also named.

Following a splendid dinner given all visitors by the women of the North Troy church, the afternoon session was opened with a praise service, led by Rev. L. A. Edwards of Newport, the North Troy school orchestra assisting in the music.

Short papers were given by five young people from different parts of the county on the work of the officers and committees of a Christian Endeavor society. The first was on the work of the president by Miss Glen Lang of Barton. The work of the secretary was discussed by Miss Rachel Renell of Island Pond, and the work of the treasurer by Miss Mildred Wood of Derby. Aubrey Akin of Newport gave a paper on the work of the prayer meeting committee, and Miss Dorothy Dubois of North Troy on
